## PROJECT IDEA GUIDE

The Tandem™ Modular Block offers a new installation method for the Tandem wall system. This versatile product allows contractors to easily create all aspects of the outdoor living environment, including retaining walls, seat walls, stairs, outdoor kitchens and more. The Tandem Modular Block can be used with all Tandem face styles.

### SYSTEM FEATURES AND BENEFITS

- Higher gravity wall heights by connecting modular blocks
- Easy column construction with multiple size options
- Easy stair construction that requires less skilled labor

#### MODULAR BLOCK
